While growing up, I was taught that if someone had a problem, they needed to ask God for help. This book is full of helpful inspiration.As every day Christians we can sometimes lose our way, falling into the depths of despair and the dark corners of our own souls. This book has the inspiration and the right words to help find the light at the end of the tunnel.This book raised my spirits, I am pleased with my purchase.

I've been struggling with depression for a while now. My soul's felt empty, yet heavy, so I needed something to set me on the right path and quickly remind me that there is love out there. After stumbling upon this book, I decided to buy it. I'm grateful to God and Alicia for providing this concise, enlightened book of passages. The Lord's word couldn't be any clearer, or easier to access to help you with depression, than in this book. God bless this book!

Depression is a common issue amongst people in our world, and a spiritual approach based on strong Biblical scripture can do amazing things for a person. This system of combating depression has a proven track record of success, and Alicia Grant has molded a wonderful adaptation, including many powerful scripture verses from the King James Version of the Holy Bible. Do you need a reminder of the beauty and majesty of the world God has given us? Look now further than here. Do you feel that your depression has made your life unbearable? There's no reason to continue feeling that way. God has given us the words we need to fight these feelings, and with His help, we can all live a life of joy and love. There is no end to the ability of the word of The Lord to do good. Even if you feel you have no depression, there is always a reason to continue combating the evils in the world that plague all of us. A strong foundation of daily, reaffirming scripture can work miracles. A must-read for anyone searching to reconnect to the grandness of life through our Savior.

I'd rather just read the Message. I wasn't really liking this personally.
