Customer Reviews

Archangels 101 by Doreen Virtue covers 15 of the archangels. In this book, you'll discover more about them, and also learn how to work with them to help your life. If you have been drawn to angels (or perhaps just this review) be sure to check this book out. Archangels 101 is an introductory book about 15 of the archangels including: Michael, Raphael, Gabriel, Uriel, Chamuel, Ariel, Metatron, Sandalphon, Azrael, Jophiel, Haniel, Raziel, Raguel, Jeremiel, and Zadkiel. Michael, Raphael, Gabriel, and Uriel are covered in more depth than most of the other archangels included in this book. However, these are the main ones that people work with the most. I don't feel that this took away anything from the powerful messages in the book. Each of the angels has background

information about them, prayers you can say to have them help you, and also stories from people who have worked with them that will show you that they can miraculously help you in a vast amount of ways. Before the angels can intervene and help you though, you must allow them to do so. Once you start along the path of working with angels, you will be amazed by how much they will help you. Doreen Virtue does brilliant work helping all of us realize this through her books, radio show, oracle cards, and much more. With this book you'll also discover the halo colors or colors most associated with each of these archangels, crystals and gemstones connected to them, and the astrological signs associated with the fifteen archangels featured in the book. Unlike most books, this one is in full color and also includes artwork of angels. The colors and pictures are used wonderfully, and really makes you want to read it again and again.
