Customer Reviews

this is my fourth color by number from Chartwell. The first two were awesome! "Mindfulness" still is a treasure and "Calm" is wonderful also.But this publication, "Flowers" is quite different. There is not nearly the detail in the illustrations and the numbers quite faint. There is much hire space left uncolored. I’m quite disappointed. This just doesn’t come close to the first two published.

I love this book. Helps pass the time when I can’t sleep at night.

An AWESOME color by number series! I have them all & future ones saved in my wish list! LOVE LOVE LOVE!

Love it!
