Charlie And The Chocolate Factory

Synopsis

Willy Wonka's famous chocolate factory is opening at last! But only five lucky children will be allowed inside. And the winners are: Augustus Gloop, an enormously fat boy whose hobby is eating; Veruca Salt, a spoiled-rotten brat whose parents are wrapped around her little finger; Violet Beauregarde, a dim-witted gum-chewer with the fastest jaws around; Mike Teavee, a toy pistol-toting gangster-in-training who is obsessed with television; and Charlie Bucket, Our Hero, a boy who is honest and kind, brave and true, and good and ready for the wildest time of his life!

Customer Reviews

What kid wouldn't love to tour a chocolate factory that no one had visited for several years? What kid wouldn't want access to secrets held by the greatest candy maker ever? What kid wouldn't want to embark on a wild adventure and meet the amazing, Willy Wonka? I can't think of one who wouldn't! :) I know I would love to do all of those things and I'm not even a kid anymore... well, I guess I'm a kid at heart. Charlie and the Chocolate Factory is an amazing book. I was first exposed to this story by my 3rd grade teacher, as a whole class read aloud. And from that day forward, I was a lover of the writings of Roald Dahl. I have since read this story every year of my teaching career to my own classes. And I can honestly say that I have not found a class yet that has not loved the story of Charlie's amazing adventure! This is one of the greatest books ever written for children... and I really mean that! Roald Dahl introduces us to the Bucket family, an unfortunate family who struggles to survive on the money Mr. Bucket makes as a toothpaste cap screw. One day Mr.

Bucket is laid off from his job and the family begins to starve. One member of the family, little Charlie, struggles to subsist on bread and cabbage soup. Poor Charlie finds himself starving to death, when one day he finds a dollar in the snow and his whole life changes. With this dollar Charlie buys a candy bar just to fill his stomach and gets so much more than he could ever imagine. Charlie becomes the 5th child to find a golden ticket and with it, has the marvelous opportunity to visit Mr. Wonka's chocolate factory. At the factory Charlie meets up with a most wild assortment of characters: * Augustus Gloop: A large boy who loves to eat more than anything in the world.
