## Customer Reviews

I got the 2015 version of this calendar as a Christmas present, and liked it so much that I bought the 2016 version to use as our family kitchen calendar. The cat photos and captions are delightful, and the boxes for the calendar days are big enough to use for writing in reminders, doctor's appointments, whatever. It's larger than the average calendar (12 inches by 24 inches when opened up and hanging on the wall) which makes it easy to read if you're at the "need large print" stage of life like I am.

This my first Fat Cats Calendar. I am sold and I will have to have one every year. I have a couple fat cats and have always wondered what they were thinking. Now I know for sure...I think.

We just can't live without this calendar anymore... July is a great date to release it for the upcoming year. Purrrrrrrrrrfect!

I never miss a year buying my Fat Cats Wall Calendar. Love the beautiful cats and the witty captions on each month.

Nice calendar. Bigger than I anticipated, but I guess I didn't pay attention to the dimensions.

I get this every year for my husband, we love it. I recommend this to anyone who likes cats
