Customer Reviews

I buy this for my mom every Christmas and she loves it. I'm a bit concerned this year, since this is a 365 kittens/year calendar and it is a leap year. I hate the thought of my mom having to go a full day without a kitten...but I'll probably buy it again anyway, despite the lack of sufficient kittens.

A well laid out kitten calendar that withstands use. We're on our 10th year of this particular calendar and use it all the time.+ Well shot pictures on heavy stock glossy paper.+ Plenty of room to write multiple events every day.+ See next and last month at a glance on the bottom of the calendar.+ Strong hanging holes that usually make it through the year without problems.+ A great present for any cat lover.* A Sharpie works best for writing on it.I would highly recommend it.

Every year, I have to purchase more and more copies of "The 365 Kittens A Year" calendar for

friends and relatives who have seen my copy and want one of their own. The calendar is standard-size wall-format with a color picture of a kitten or kittens for every day of the year---some posed, some just being naturally irresistible. 365 pictures of kittens makes a great Christmas gift---a smile for every day of year. People from all over the world send in their cutest kitten photographs (we've had our kittens featured for several years running) to be selected for the calendar. If you buy a copy of the 2016 version, there is an entry blank on the first interior page, so that you, too can send in your kitten's photographs for the Annual Kittens of Distinction Contest. The calendar also includes kitten quotations, e.g. "The best things in life are furry," plus advice on kitten care.

Love, love this calendar. I buy 3 every year as Christmas gifts for my brother, a friend and myself. I keep meaning to send in pictures of my cats as kittens. I don't seem to ever get around to it. One cat is 18 and the other 11. Guess I should give up. I like to see each cat's name and where in the world they come from. Great fun. I never get tired of this kitten calendar. I'd give it 10 stars if I could.

I buy this calendar as Christmas gift for my cat loving friends every year. And every year it is a big success. I love not only the cute kittens but the fact that people from all over the world submit pictures. Yes, kittens are adorable. Why not enjoy a kitten-picture a day ?

Bought for my daughter for Christmas & she loves it! She likes the fact that she gets to see LOTS of cats & kittens all month. They are all very cute & she doesn't have to look at the same cat for the whole month.

We have been getting a "365 kittens" wall calendar for many years. It is the perfect size for entering all our appointments and activities. A whole month is seen at a glance and everyone knows what everyone else is doing and when. It's Great! And cute, too!

A standard at our home for over 20 years. Photos are wonderful, and we get an extra kitten because 2016 is Leap Year.
