THE CLASSIC DOUGLAS DILLARD SONGBOOK OF 5 STRING BANJO TABLATURES

Synopsis

(Banjo). Published by popular demand, this long-awaited songbook contains exact transcriptions in banjo tablature that capture the unique playing style of Douglas Dillard. This fantastic collection includes all of his best-loved tunes, from the *Andy Griffith Show*, from his many great years of recording as the original Dillards, and from his solo banjo albums and his releases with The Doug Dillard Band. Features more than 20 tunes in G tuning, C tuning and G modal tuning, including classics such as: *Cripple Creek* * *Hickory Hollow* * *Jamboree* * *John Henry* * *Old Joe Clark* * *Buckin' Mule* * and more. A must-have for all banjo players!

Customer Reviews

This book will introduce the banjo player to Doug Dillard's unique style. Some of the licks that you have heard him play and wondered how he does that...this book will clear it up. The songs are easy to follow. Not for beginners. These arrangements are a intermediate to advanced level.

I ordered this product, and it has worked best for my style of play. I have tried using other tablature before, and had more struggles with those. The Dillard Songbook has clicked with me the most. If you're one that likes to play the older songs, this book has lots of them, including songs they played on *Andy Griffith*. There is easier background tablature included to learn with the songs as well. The chordage is easier for me, and the finger rolls are easier, and more enjoyable to play. The tablature in this songbook is also easier to memorize the songs faster. It's more relaxing and calming to learn

and play as well. I haven't had to make any changes in their tablature, because it works best for me and my playing.

Good book but not a real beginner book. Demonstrates cords for C & G tuning. Good song selection but mostly instrumental tabs not a lot of lyrics.

Douglas Dillard is one of the greatest banjo pikers of all time and this book holds some of his greatest songs. I suggest that when you get this book that you start with Green corn.

Great book for learning the Douglas Dillard style of picking. Like it a bunch.

Working on Banjo in the Hollow. Tablature is very easy to follow.

No CD. I was hoping it came with the book! Otherwise OK. I would buy with CD next time as it would be needed for songs that you don't know!
