AMAZING BOOK!! It is very funny how you can take a bad word and make it pretty. A total stress release book for me, therefore I really enjoy coloring it. So when you get pissed off this is the perfect book to help you calm yourself. You can definitely choose the word that best describes the person your pissed off at and by the time you make that word pretty then you probably will be feeling better.

Omg. I have heard about these and knew you could only get them online. I chose this one because the designs were a bit larger than others than I saw. I mean when you want to color you want SOMETHING to color, who wants to color in one line and move one. Plus the swear words make it better if you are having a bad day and just want to swear, drink, and color. Highly recommend for adults with a good sense of humor.
