Customer Reviews

This book is impressive in the richness and quality of it's production. It introduced this reader to artists I hadn't known. The subtitle is 'A Contemporary History' and should be taken literally. I was looking for more works from the 1970's hopefully featuring works I hadn't seen in other publications. Four artists from the 1970's are featured - Kate Millett, Louise Fishman, Joan Snyder and Fran Winant. Eleven artists are profiled from the 1980's and seven from the 1990's.
