Domino: Your Guide To A Stylish Home (DOMINO Books)

Synopsis

From the editors of domino magazine comes your essential guide to discovering your personal style and creating a space you love. Since launching in 2005, domino has attracted a fiercely loyal following, which looks to the brand as the definitive source for decorating and style. The brand's first book, domino: The Book of Decorating, was an immediate bestseller upon its release and has established itself as the quintessential guide to demystifying interior design. domino: Your Guide to a Stylish Home builds on the first book with a more detailed and modern perspective on how to personalize, style, and create a home you love. In a time when the flood of decorating advice and inspiration online can feel overwhelming, domino: Your Guide to a Stylish Home provides a trusted filter, using the friendly and authoritative voice of domino to teach readers about attainable, stylish design and how to make it uniquely your own. domino: Your Guide to a Stylish Home will help readers to:

- Identify your personal decorating style
- Find inspiration from hundreds of beautiful, inspiring photos of real homes
- Style the major and minor components of your home—from textiles to table settings to art
- Shop for quality pieces that will stand the test of time
- Learn from domino editors and tastemakers about how to style magazine-quality looks in their own spaces

domino: Your Guide to a Stylish Home takes a detailed approach to the specifics of making a space your own—the key pieces, accessories, colors, patterns, objects, decorative treatments, lighting, and art that personalize a space and truly make it a unique and stylish home. It aims to help readers achieve domino's number one goal: creating a space you love.
