Flute 102: Mastering The Basics - A Method And Solo Collection For The Intermediate Flutist

Synopsis

The duo that brought us *The Flute Scale Book* and the acclaimed *Flute 101: Mastering the Basics* now expand the series with *Flute 102: Mastering the Basics*. For students approaching the intermediate skill level, George and Louke turn to the use of etudes, solo repertoire, and orchestral excerpts to build upon the lessons of *Flute 101*. Underlying the method are practicing and phrasing guides, invaluable for students and continued use thereafter. From the authors: ""Each of the units of *Flute 102: Mastering the Basics* includes five separate lessons of exercises and repertoire in a major key, relative or parallel minor key, or dominant key. The theoretical exercises feature scales, thirds, arpeggios and major/minor seventh chords, rhythm studies and etudes by Barret, Gariboldi, George, Louke, Soussmann, and Wohlfahrt. The Contemporary Techniques Solos at the end of the book may be used with any lesson to enrich the flutists study.

Customer Reviews

I wish I used this method book when I was younger! I bought this to use with my students. The progression is perfect. There are so many elements addressed that I was not exposed to until college that are presented in a very accessible manner.

Great method book! Teaches student skills in a more logical way than any other method book I've used.

This is a fantastic flute method book. I recommend it highly!

Thank you!
