Customer Reviews

“Henrique De Almeida is a master drummer who has provided the drum community with a clear, methodical, and musical approach to learning double bass-drum technique” demonstrating it in a way that is musically appropriate, as opposed to merely flamboyant exhibition. I highly recommend this book to anyone looking to develop or further enhance their double bass-drum technique. And I personally look forward to studying this as well, with Henrique as my guide.”
—Terri Lyne Carrington, Multi GRAMMY® Award Winner (Herbie Hancock, Wayne Shorter, Al Jarreau, Stevie Wonder)
“Henrique has created a very comprehensive package that can enhance the performance of any drummer who wants to take their playing to the next level. The way the exercises are designed to work with different styles, or just as stand-alone workouts, is very well put together.
