Okay, I bought this book for one song, "Hallelujah" from the movie. It's a good, basic music book. The only problem is that it's not spiral bound (I knew it wasn't), so it doesn't sit on the music stand easily. Otherwise, it's great!

Really great song choices. The version of Hallelujah in this songbook is the best I've found, as other versions don't match with the words. Has a very nice version of You Belong to me, and It is You. These three songs alone are worth having this songbook for. Not easy piano, which I like. It is intermediate, and challenging, but with practice, a fun songbook to learn. I'm glad I have this book to choose from, and 13 song choices, along with pictures, and storyline pages from the movie series.

I have been hearing these songs for the longest time because Shrek was a favorite. The dvd I had was played so much that the back of it had scratches and became unplayable. Now that I have the sheet music, I have a good time playing the music that reminds me of the movie. I loved the product and the service.

I can only play a few songs out of it, but those songs alone make it worth it for me to have purchased it.

Excellent! Exactly what I had hoped for.
