Customer Reviews

I am a college, voice professor, and I am constantly looking for new anthologies to provide my students with performance options for competitions, auditions, and performances. It is frustrating because all of these Broadway anthologies are a bit repetitive, and I am tired of paying \$30 to buy a handful of different songs. Not a bad book, but if you already own a couple anthologies don't waste your money.

So disappointed in that over half of the songs are piano accompaniment versus stand alone pieces that you can play for your enjoyment. Had I known this ahead of time, I would not have purchased it.

There is a large variety of musicals in this book. Its nice that there are so many different ones specially a few non common ones.

Bought these as a gift. I received great reviews
