Customer Reviews

This is a funny coloring book, 68 8" x 11" pages of humorous puns. Don't be too afraid to order it, it isn't TOO dirty and depraved ;), but it's not a book I would color with the kids. I received it free in exchange for my honest review, and I gifted it to my sister in law-she loves it. The images are very intricate, and the designs are large.

This book is freakin funny! I love the swear word coloring books but this one is so much different than other ones. I love that the drawings go with the jokes. I cant wait to show my friends after a couple glasses of wine!
