## **Customer Reviews**

This coloring book was an instant hit at my house, I love it, I color with colored pencils and water color pencils with my grandchildren and this coloring book is perfect and adds so much more to the coloring experience. The details in each illustration are not tiny, so my grandchildren age 5 and up love this book and use paints, crayons, oil pastels, markers, or gel pens, to create their own master pieces using the color key or their imaginations. 1. Use your own colors or the Color key (Found on inside cover) uses 20 standard colors found in most colored pencil or crayon sets : 1, light yellow, 2 Yellow, 3 Light Orange, 4 Orange, 5 Red, 6 Maroon, 7 Light pink, 8 Pink, 9 Dark Pink, 10 Lavender, 11 Purple, 12 Dark Purple, 13 Light Blue, 14 Blue, 15 Dark Blue, 16 Light green, 17 Green, 18 Dark Green, 19 Brown, 20 White. 2. Full color thumbnails of each illustration are included in the book. 3. Quality weight paper good for colored pencils, each page is perforated and blank on the back. 4.

Each illustration is made up of one kind of flower, that repeats multiple times on the page, with 45 different flower illustrations, they are good sized for practicing or teaching my grandchildren some basic colored pencil techniques, such as different Strokes, contouring, light to dark, highlights, shadows, and great fun to color with a child as both of you can color the same flower, on the same page, following the color guide or using your imagination.5. The pictures are solidly outlined and DO NOT contain dark heavy vertical lines for shadow, allowing you to create your own delicate shadows.6.
