ISBN-13: 978-1569220351

Product Dimensions: 9 x 0.3 x 12 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.1 out of 5 stars [See all reviews](#) (12 customer reviews)

Best Sellers Rank: #1,078,029 in Books (See Top 100 in Books) #26 in [Books > Arts & Photography > Music > Musical Genres > Military Marches](#) #1706 in [Books > Arts & Photography > Music > Instruments > Voice](#) #4210 in [Books > Arts & Photography > Music > Instruments > Piano](#)

## Customer Reviews

If you're looking for a book with just basic notes to play or sing to, this book would be wonderful. It is more like a Hymn book; no fancy arrangements. Probably an early intermediate.

I bought this book to have most of the usual patriotic songs at hand. Since I play by chords, the level of difficulty doesn't really apply; however, with a little practice, I could probably play the music as written.

I found a lot of the songs pitched too high, and not that easy to play. I have a lot of the Hal Leonard music books in various themes with songs that are much easier to play and sing. I like to be able to play a song through once or twice and pretty much have it down, not the case with this book. Will keep it though, as there are a few songs I didn't have in my other books.

I played many of the songs in this Songbook at a rest home, and many of the people sitting in wheelchairs joined in the singing. It did my heart good..the room filled with Love!thank you! This was Sunday, the 4th of July,2010.

I choose this rating as I expected more than what I got. This book is definitely geared to "older" Seniors, like the ones from WWII. There were not any contemporary songs in this book, so I was rather disappointed.

I love having the music for these great patriotic songs. It is written like hymn arrangements, but that's a style I like to play. I enjoy learning the lyrics as well.
