Customer Reviews

The paper quality and the printing of staves seem fine to me. The printing is not too dark, and the space between staves seems adequate for ledger lines. The cover page says that it contains "96 pages," which may be technically accurate, but seems calculated to mislead. The package actually contains 48 sheets of 8.5" X 11" music paper, unbound and hole-punched, printed on both sides.

This paper is great for writing chamber music like sextets, duos, trios & quartets. There is plenty of paper to write music on at a nice price.

Good quality paper.
