Customer Reviews

Great photos.It's a calendar that starts the week with Monday, so, useless in the States.I should give myself 1 star, not the first time I didn't pay attention and bought a calendar that starts the week with Monday (as all calendars should, why doesn't the U.S.?)

This calender is ok. Quality is nice but the week starts on Monday and my brain has yet to adjust 3 months into the year. Otherwise nice.

Wonderful views of beautiful castles!
