Customer Reviews

This is a beautiful calendar especially if you've been to Barcelona and seen Gaudi's work. My one and only reason for giving it four stars is that, as you look at the calendar, the first day of the week is Monday. As an American, I have spent my entire life looking at calendars where the first day of the week is Sunday. It drives me crazy to the extent that each month I have written the name of the day in big letters at the top of each column. I readily admit this is my problem and I should get over it.

Beautiful photos - measure carefully to be sure it will fit as it is a bit larger than many wall calendars
