Customer Reviews

This calendar has so many pictures in it, you might actually tire of looking at Vanners! Just Kidding! We all know that isn't going to happen. These folks have compiled photos of some of the most beautiful Vanners in the US. As a bonus, at the back of the calendar it has information on every horse pictured within, who they're owned by, trained by and where they're stabled, so if you see somebody that you simply cannot live without, you know who to call. Also, it's very thick paper and the cover is encased in a clear plastic protective sleeve, so it's pretty awesome and well worth the dollars it costs.

This is a beautiful daily engagement calendar! There are magnificent pictures of the Gypsy Vanner horses through out the book! I recommend for people that love this horse!

This is so gorgeous, you'll want to keep it forever just for the pictures. I bought one for my sister, who just loves Vanners - and fell in love with it and had to buy another for myself. This photographer is fantastic and the horses are sublime. This is about as close as I'll ever get to "owning" a Vanner...

This is the most beautiful engagement calendar for horse lovers everywhere. The photography is stunning!
