â œChalk It Up To Graceâ • is the latest premium edition Christian coloring book by Paige Tate & Co. While I have a number of the earlier books, this is the first coloring book I have by artist Shannon Roberts. Ms. Roberts style is both elegant and fun at the same time. She provides an insight into her spiritual inspiration as a Christian in her biography at the back of the book. It's

always wonderful to hear about what God has been doing in the lives of other believers. The designs in this book are a mixture of inspirational Scripture and Christian sayings along with lovely designs that surround the words and bring attention to them. The book has 30 full page designs and an additional 14 designs which are printed two to a page. The smaller designs are scaled down versions of some of the full page designs. The pages are mostly black with the coloring elements in white. The way the pages are printed is black ink on white paper. While the pages are perforated, you will still have to cut the smaller designs along the cutting lines provided if you wish to remove them from the book. The larger prints will fit into an 8 x 10 inch frame and the smaller ones will fit well in a 5 x 7 frame. This book, as with the other premium edition books, is printed on a heavyweight paper that is much more substantial than the paper used in this publisher's regular coloring books. The book is approximately 10 x 8.5 inches with a beautiful black cover with gold foil accents and pretty partially colored illustrations (and yes, the cover art is the very first page in the book and serves double purpose as a title page and a coloring design.) Chalk-style coloring is a fun new way of coloring designs.
