Customer Reviews

Have bought this calendar two years in a row but disappointed with the paper. Not the heavier card stock paper from previous years and no steel grommet to insure sturdiness of hanging. Pictures still nice.

I've always loved Marjolein Bastin's artwork for over 10 yrs & have purchased multiple home items & always the yearly calendars. I was a little disappointed in the quality of the 2017 one I recently received. The paper is cheaper & has 'shiny' finish so it maybe hard to note events on the calendar blocks. But I still love the artwork!

I am a big fan of Marjolein Bastin's artwork. This is more than a calendar, but a piece of artwork for my cube at work! Wonderful quality. Very pleased. (I only wish that it was available in the vertical wall calendar for my frame at home.)

Great for my kitchen. Taking one star out for the standard quality of paper it printed on. For the

price, I expected heavy duty or textured paper.
