Horse Page-A-Day Gallery Calendar 2016

Synopsis

This is the calendar that celebrates horses and the passion of those who love them with hundreds of beautifully composed and reproduced images in full color. An American Saddlebred with a gleaming chestnut coat and head held high. A trio of Tennessee Walkers racing across a field. And a perfect portrait of innocence: a Palomino foal resting in a meadow of purple flowers.

Photographed in gorgeous landscapes by the world's best nature photographers, these equine beauties embody the spirit of the horse: wild, swift, and free.

Book Information

Calendar: 160 pages

Publisher: Workman Publishing Company; Pag edition (August 15, 2015)

Language: English

ISBN-10: 0761183582

ISBN-13: 978-0761183587

Product Dimensions: 6.2 x 1.5 x 7.2 inches

Shipping Weight: 11.2 ounces

Average Customer Review: 4.6 out of 5 stars See all reviews (10 customer reviews)

Customer Reviews

I really like this type of calendar. Last year I had a cat-theme page-a-day. I like the plastic stand, which allows the picture to be viewed in almost vertical position. Each page has something appropriate written in the upper right corner. Of course, there is a great variety in the pictures that I enjoy.

I keep this on my desk and look forward to seeing the new photo each day! It's a gorgeous calendar with some truly stunning photos of horses and ponies from all over the world. There is a little quote or info about the horse in the photo that goes along with each. Ordering again for next year!

This was a gift for a coworker and she loves it. The photos slide up and out of a frame (instead of flipping the page over the top) and when you get through half the year, you take all the slides out at once and flip them around (they have front and back photos). The photos so far have all been

striking (I was thinking "okay, how many running horse pics will we see" but they did a great job with diversity)

Gorgeous photos!!Incredible scenery!You will absolutely love this!

Love it!!! Had one this year and wanted to be ready for 2016.
