Customer Reviews

This is a wonderful collection of recorder music. It demonstrates the incredible versatility of the instrument. It may seem like a small instrument, but it can do amazing things. This is a collection of Japanese music and playing it, the recorder sounds just like a shakuhachi, or a traditional Japanese flute. With other music, it sounds like an Irish or a Native American flute. This is probably one of the best collections of Japanese music for the recorder, and it is a fun way to enjoy playing it.
