Customer Reviews

Wonderful teaching from beginner on up. I bought a bunch of harmonicas, 3 of these DVDs and 2 DVD players and took them to Haiti to start little music schools in an orphanage and a school. They are so well done that children that don't understand English could follow along (with a little help from me). Wonderful!

Postage took a long time, but otherwise no complaints. Easy to follow book for beginners, but don't bother with it if you already know fundamentals.

Couldn't believe that u got all the stuff to learn how to play it a CD a DVD and a music training book for 20 bucks pretty cool

Very good I am new to the harmonica, but I am coming along with the help of this dvd

Gave as a Christmas gift. Recipient is already playing songs. Great instruction

I like it, now all i have to do is learn how to play it! Thanks!

Just need to find the time. But pretty easy

Learning a lot and can't beat the price
