Recorder Ensemble: First Collection, Soprano, Alto, Tenor, Bass

Synopsis

This collection provides interesting and rich selections for four-part recorder pieces that are tried and true for classrooms, having been tested in Waldorf classrooms by Steve Bernstein. This collection mixes classical pieces with original compositions of Mr. Bernstein, and traditional folk songs arranged for beautiful music middle school and high school recorder players can master. All the parts work well with the recorders for which they are arranged! Organized in a handy booklet that will lie flat on a music stand but will also keep pieces together. A little gem of a book is this! Inexpensive enough to order for a whole class. Try it. You will like it!
