Color Your Own Women Of Power

Synopsis

They're some of Marvel's greatest heroes, and they're waiting for you to put some color into their lives! So grab your crayons, pens or colored pencils and start work on this stunning collection of line art torn from the pages of your favorite comics! Ms. Marvel, Captain Marvel, Squirrel Girl, Silk, Spider-Women (both Jessica Drew and Gwen Stacy) and plenty more are present and correct - well, apart from all the missing hues on their costumes. They're A-Force to be reckoned with, or at least they will be when you're done! With black-and-white illustrations by many of the finest artists around, this book is a masterwork in the making - can you finish the job? Sure you can!
