The Monster Book Of Manga: Draw Like The Experts

Synopsis

The popularity of manga continues to grow, inspiring interest in learning how to draw in this exciting style of comics. Estudio Joso creates the ultimate guide to illustration—384 pages of manga instruction. The *Monster Book of Manga* is divided into sections focusing on the most figures and themes—Girls, Boys, Samurais, Monsters, and more. Each illustration is broken down into six stages accompanied by step-by-step instructions, taking the artist from initial back-and-white sketches to the final color piece. They are all accompanied by practical suggestions, hints, and tips.

Customer Reviews

This is a wonderful book period. But wonderful for whom? I am not a beginner in manga art but I am far from advanced. I found this book to be helpful AFTER I read other How to Draw Manga Books. This is not a book for a beginner. The following are some pros and cons I have with this book. First the Pros PROS 1. The book is 377 pages long. 2. The artwork is incredible! 3. The Variety of characters examples it contains. The index is as follows, each is met with a brief explanation of what is in each chapter. Introduction: Just as it says. Girls: The girls shown are: The Shy School Girl, Sporty, Static Movement, Cat Girl, Fighter, Gothic Lolita (my favorite), Cybergirl, Pinup girl, and friends. Fantasy: Male Elf, Female Elf, Knight, Explorer, Orc, Dwarf, s, Goblin, Devil Monsters: Succubus Dragon, Ghost, Worm, Werewolf, Mummy, Monster from the Deep, and the every popular Vampire Science Fiction: Demon, Bionic Girl, Cyberpet, Android, Combat Mecha, Octopus, star pilot, princess nebula, and reflections. Music: Is my fave section in the book. It covers characters in all the different styles of music from Hip-hop to traditional to children's music. The samurai section

is amazing as well. It has witches, geisha, princesses, ninja, ronin, wanderer, samurai, and Sakura (is a samurai that can fuse their body and spirit with their surroundings). The final chapter is Drawing Digitally. This covers so much that I really can't type out the chapter titles. 4. For each character there is a page each of the following: A summary of the character, shape, anatomy, clothes, ink and lighting, and color.
