Customer Reviews

Just received this 2016 Grumpy Cat calendar. I think it looks bootlegged. Photos are a little off, and pages are not glossy.

Very large close ups of my favorite kitteh, Grumpy Cat. Nice clear photos for each month, cute captions. A delightful reminder of how wonderful Grumpy and life are!! love it!

My Wife who is a big Grumpy Cat fan, LOVED this calendar and has it up in her bedroom. What can U say, it's Grumpy Cat!BTW for GC fans out there, the biggest yuks of our day sometimes is the daily tear off desk calendar with GC's salty, cynical commentary.The cat's comical grumpy face mixes well with some ascerbic, cynical or downright grumpy and clever statements by GC.Get 'em both!

Yesterday my son pointed out it was Grumpy Cat's birthday... I know this isn't a fact that will make or break lives, but he was so happy to know this. That made me happy.The calendar is a good wall calendar, and the photos and comments are funny. Clear photos, clear printing. Good calendar.

This was a gift for my uncle to match the Grumpy Cat shirt that I gave him. The calendar almost didn't make it out of our house because my kids loved it so much. Each month has a hilarious caption. Definitely a nicely made calendar, not the thin paper calendars that rip easy. Very satisfied as I believe my uncle is too.

Great calenderMy old one tore apartI was lucky to find this on lineThe pages are THICKEnough space to write in Appointments and birthdays SVery cute catsI'm buying the 2017 year one to!!! highly Recommend this to anyone

This is a really funny calendar. I got it for my kindergartner who has a cheeky sense of humor. The pictures are all so cute and the colors are vibrant. So far my favorite has been March, which says "Having a bad day"..... Good.

This is a really fun calendar! Each page has an adorable photo of the cute but sassy grumpy cat. We bought this calendar for my seven-year old son who loves grumpy cat and who also loves calendars. I can't wait until I see his face when he opens it. :)
